CURRICULUM VITAE

EUGEN TRINKA, MD, MSc

PERSONEL

19 th October 1963	born in Salzburg, Austria
Citizenship	Austrian
Marital status	Married three children

EDUCATION & PROFESSIONAL EXPERIENCE

05 th July 1990	Graduation (MD) from School of Medicine, University Vienna, Austria
1990	Trainee in Internal Medicine at the Department of Medicine ,DKH-Schladming, Austria
1990 –1991	Research Fellow in Neurology and Psychiatry at the Department of Neurology, LNK-Salzburg, Austria
1991-1998	Trainee in Neurology and Psychiatry at Department of Neurology, LNK-Salzburg, Austria
1995 – 1996	Military Service, Feldarzt of the Austrian Army (Salzburg and Military Hospital Innsbruck)
February 1998	Austrian Medical Board registration in Neurology and Psychiatry
1998 - 1999	Staff Neurologist at the Christian Doppler Klinik, Universitätsklinik für Neurologie, Salzburg, Austria
1998 – 1999	Research Fellow at the Montreal Neurological Institute and Hospital, McGill University, Quebec, Canada, Prof. F. Andermann, Epilepsy Service
since July 1990 -	Head of the Epilepsy Monitoring Unit at the Department of Neurology, University Hospital Innsbruck, Austria
since 2003	Associate Professor for Neurology at the Innsbruck Medical University
since Oct 2004 -	Head of the Epilepsy Service at the Department of Neurology, University Hospital Innsbruck, Austria
June 2005	Master Degree (MSc) for Health Sciences at the UMIT (University for Health Sciences, Medical Informatics and Technology, Hall in Tirol, Austria)
Since 15 th April 2010	Professor and Chair of the Department of Neurology, Christian Doppler Clinic, Paracelsus Medical University Salzburg, Austria (appointed 14 th Jan 2010)

SCIENTIFIC INTEREST

Epileptology (Epidemiology, Prognosis, Pathophysiology, Epilepsy surgery)

Clinical Neurophysiology (Electroencephalography, Event Related Potentials)

Functional Neuroimaging (fMRI, SPECT)

Clinical drug trials Phase III and IV (Epilepsy, Stroke, Dementia,

Headache and Multiple Sclerosis since 1992) including regular GCP training. Role: International Coordinating Investigator, National Coordinating Investigator, Principal Investigator
Public Health

REVIEWER AND EDITORIAL BOARD MEMBERSHIP

Editorial Board Member of *Epilepsia*, *Epileptic Disorders*, *Therapeutic Advances in Neurological Disorders*, *Zeitschrift für Epileptologie*, *Arzneimittelsicherheit*, *Mitteilungen der Österreichischen Sektion der ILAE*, *Klinische Neurophysiologie*

Associate Editor: *Epileptologia*

Ad hoc reviewer for *Brain*, *Stroke*, *Epilepsia*, *Epilepsy Research*, *Epileptic Disorders*, *Acta Neurologica Scandinavica*, *Drug Safety*, *Medical Science Monitor*, *Neurology India*, *Seizure* and others

MEMBERSHIPS

2000 – 2004 and since 2008	2 nd Secretary Austrian Chapter of the International League Against Epilepsy
2000-2007	2 nd Secretary of the Austrian Society for Clinical Neurophysiology
Since 2003	Member of the American Epilepsy Society
2004-2008	1 st Secretary Austrian Chapter of the International League Against Epilepsy
Since 2007	President of the Austrian Society for Clinical Neurophysiology
Since 2009	President Elect of the Society of Epilepsy Surgery centers in Germany Austria and Switzerland (Arbeitsgemeinschaft für prächirurgische Epilepsiediagnostik und operative Epilepsitherapie e.V.)
since 2009	Member of the Commission on European Affairs of the International League Against Epilepsy (CEA-ILAE), Treasurer
since 2010	Foundation Member and Secretary of the European Epilepsy Monitoring Unit Association

TEACHING EXPERIENCE

Venia Legendi for Neurology, acquired at the Medical University Innsbruck, Austria.

Venia Legendi for Neurology, at the Paracelsus Medical University Salzburg, Austria.

Lectures for medical students on Clinical Epileptology at the Medical University Innsbruck

Lectures Neuroscience PhD programm for neurosciences at the Medical University Innsbruck

Lectures on Neurology at the International Salzburg Seminars of Cornell University, New York, USA

Lectures for students of psychology, in Neurophysiology and Neurology at the University Salzburg, Austria

Lectures in Neurology at the School for Orthoptics, Salzburg, Austria

GRANTS AND AWARDS

2000	<i>Herbert Reisner Preis for Epileptology</i> (reviewed ATS 100,000.-)
2001-2003	Jubiläumfondprojekt der Österreichischen Nationalbank 8741: Bauer G, Trinkka E, Benke T. „ <i>Lateralisation and Localisation of Language and Memory Functions with Functional Magnetic Resonance Technology (fMRI)</i> “ (81,393.58 €)
1998	Research grant from the <i>Kuratorium zur Förderung der Wissenschaft und Forschung</i> , County, Salzburg, Austria (reviewed, ATS 30,000.-)
1995	<i>Wilfried Haslauer Preis</i> for Neuroscience (reviewed, ATS 50,000.-)
2003	<i>Nelson Butters Award</i> of the International Neuropsychological Society (co-award)
2007	<i>Ernst Niedermeyer Price</i> (€ 8,500.- co-award)
2005-2006	Unrestricted Grant GSK: Trinkka E. “ <i>Oral contraceptives and Antiepileptic Drugs</i> ” (35,000.- €)
2006-2007	Unrestricted Grant UCB: Trinkka E. “ <i>Mortality of Patients with Epilepsy</i> ” (35,000.- €)
2009	<i>Herbert Reisner Preis</i> (€ 8,500.- co-award)
2009-2011	Jubiläumfondprojekt der Österreichischen Nationalbank 13202: Benke T, Trinkka E. „ <i>Die Erfassung lexikalisch-semantischer Funktionen bei der Temporallappenepilepsie- klinische Sprachuntersuchung bei Epilepsiepatienten</i> “ (65,000.- €)
2009-2011	Reserach Grant FWF Forschungsprojekt P21636-B18 „ <i>Functional Integrity of Cortical Malformations</i> “ (292,309.47 €)
Seit 2003:	Clinical Trials (Phase II, II und IV) at the Dep. of Neurology, Research Group clinical Epileptology at the Innsbruck Medical University: cumulative sum by January 2010: (382,769.29 €)
2002-2010	Cumulative sum of research grants and study honoraria

907,308.49 €

2010
